Shells, Bogies, Oversized & Heavy Weight Parts

Flatbed Rail Car

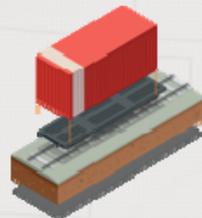

Flatbed Truck

Container Vessel

Small Parts

Container Rail Car

Container Truck

Air Cargo

Electrical Parts

Freight Truck

Overview

Specializing in Ocean, Air & Inland Transportation

- Thorough collaborative preplanning and scheduling
 - no surprises
- Project feasibility, route survey and detailed final plan
- All logistical options on the table
- Only the safest, most economical and most efficient transports and solutions selected
- Personal supervision of onsite cargo loading, unloading and setup
- Safety is the top priority for our employees, workers and the community

USPM is unique in that we can handle all the cargo transportation and import requirements for delivery of passenger rail car bogies, shells, parts and electronics to assembly plants in the USA and then deliver the assembled cars to the US customer.

Customers are municipal and regional rail passenger transportation authorities and other similar civilian agencies receiving federal funding.

Ocean & Air Transportation

Project Management Services

- Civilian Agency Cargo must be transported via U.S. flag vessel at least 50% as governed by the Cargo Preference Act of 1954.
- Detailed ocean vessel or air plane selection and cargo booking:
- Intermediary services and rigging and heavy lift
- Stowage plans, lashing and securing plans
- Onsite stevedore management for loading and unloading
- Cargo coordination, scheduling, expediting, packing and receiving
- Cargo insurance (partial or complete) at competitive rates.

Ocean & Air Transportation

Small Parts

Ocean Container Services:
Nuts, bolts and other small parts

Air Cargo Services:
Electronics
(Weather and moisture sensitive components)

Ocean & Air Transportation

Oversize & Heavy Parts

Project Management Services...

Detailed ocean vessel selection and cargo booking:

- Stowage plans & lashing
- Securing plans
- Onsite stevedore management

Ocean Transportation

Compliance

USPM has extensive experience handling U.S. flag compelled cargo and compliance with the requirements of the different U.S. government agencies:

- MARAD (Maritime Administration, US Department of Transportation)
- Department of Energy (DOE)
- USAID
- Department of State
- Department of Defense (DOD)
- Documentation (Import Declaration/U.S. Customs Clearance) and reporting

USPM has long standing relationships with many U.S. flag vessel operators and can find the operator with the best solution for you while fully complying with all the applicable rules and regulations.

Ocean Transportation

Customs Clearance

USPM has worked with many Custom Brokers and can assist with you with finding the right firm to do the work your project needs.

Description	TYPE	H.S. CODE	DUTY RATE
Completed Car	SELF PROPELLED RAIL COACHES	8603.10.0000	5.00%
Completed Car	NON SELF PROPELLED RAIL COACHES	8605.00.0000	14.00%
SHELL	NOT MOUNTED ON THE UNDERFRAME AND FOR SELF PROPELLED COACH	8607.99.5000	3.10%
SHELL	NOT MOUNTED ON THE UNDERFRAME AND FOR NON SELF PROPELLED COACH	8607.99.1000	2.80%

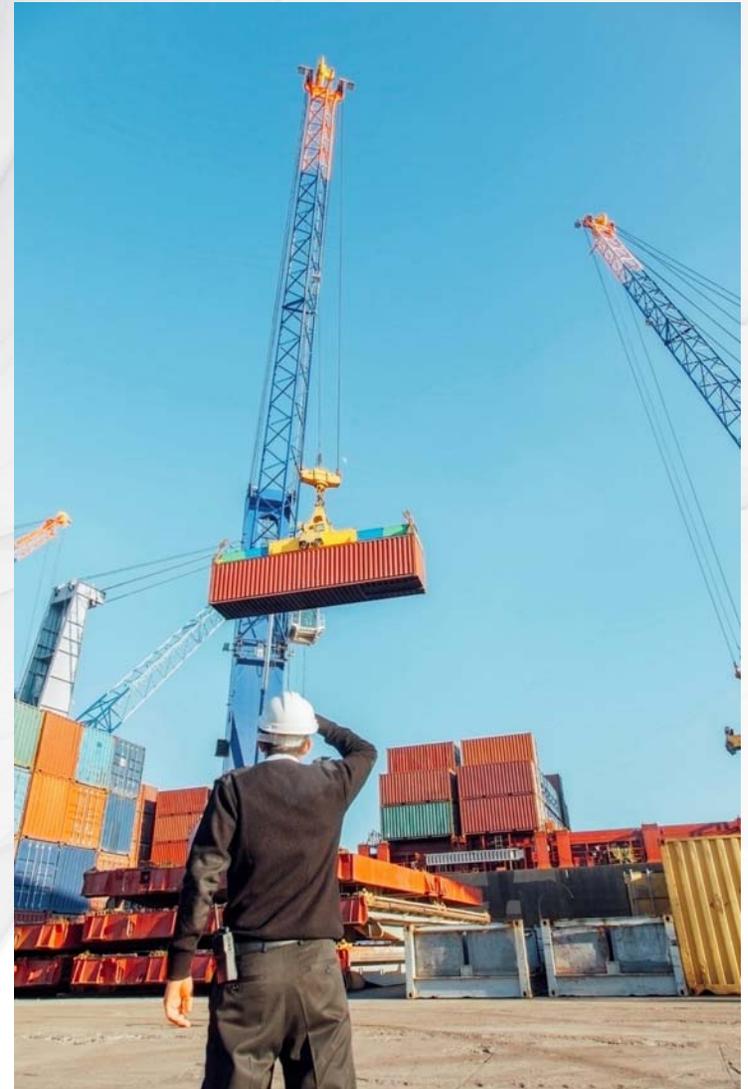

Ocean Transportation

Off Loading

Ocean Port and Terminal Services:

- Intermediary services, rigging and heavylift
- Onsite stevedore management

Inland Transportation

Road Transportation to Assembly Plant

Project Management Services...

- Loading onto truck at the port & terminal
